St. Patrick's Tea Held At Woodville Enjoyed By Many

WOODVILLE, March 22.—(Staff Correspondent).—The Women's Association of St. Patrick's Church, Woodville, held a successful St. Patrick's tea and program recently in the schoolroom of the church, which was greatly decorated for the occasion.

The appropriate address for the evening was entitled "St. Patrick and the Isle of Mann," and was given by the Rev. Dr. A. T. Barry, of St. Paul's Presbyterian Church, Peterboro. Lantern slides also aided interest in the topic.

Mrs. Clarence Veale sang the well known Irish ballad "Mother MacPhee," a large crowd was in attendance. This was an annual event in the church and each year draws a number of people who are not regular members of the congregation.

Irish Event

The G.O.I.T. members of the United Church held an interesting St. Patrick's tea and social afternoon at the home of Mrs. J. H. Brown, whose daughter Miss is a member of the group.

Tea was served from a beautifully decorated table, displaying the shade of the flag, green and white, and which were daintily arranged instead of green, to carry out the spirit of the day.

Musical numbers were given by the girls of the G.O.I.T., including Irish songs. Mrs. A. E. Doe, Mrs. W. T. Smith, Mrs. W. McPherson and others assisted in the serving and arranging of this event.

Mr. A. W. Campbell, of Schumacher, is visiting with his sister Annie and son Earl at present.

Mrs. L. B. Staples is visiting with friends in Toronto.

Mrs. Henry of Peterboro, is visiting with her brother, Boecher Dwyer, of Woodville.

Will Invite Other Institutes To Hear Summer Speaker

ZION-FENELON, March 22.—(Staff Correspondent).—The regular meeting of the Zion and Isabel Women's Institute was held last week at the home of Mrs. Robert Byrnest of Fenelon.

The meeting opened with President, Mrs. W. McPherson, in the chair. The opening ode was sung and after the repetition of the Lord's prayer, the minutes of last meeting were read and adopted.

A business discussion regarding the summer speaker from the department was held and it was decided to invite several neighbouring Institutes to join our branch on that occasion.

The program was as follows: Roll call was responded to with an amusing anecdote read or told by Arthur Jensen left for their new business in Port Perry. Dwyer was played next.

Might Have Been Given Suspended Sentence But For Previous Conviction

CHARACTER EVIDENCE

A Harbourn township resident, 24 years of age, was sentenced in the county police court on Tuesday to 18 months definite in the Ontario reformatory and one year indefinite when he pleaded guilty to a serious charge under the morality section of the Criminal Code against a 15-year-old Halliburton girl. Little sympathy was held by the court when it was revealed by Magistrate G. A. Jordan that the man had a previous conviction six years ago of indecent assault. This fact

not disclosed in early evidence was learned by the Magistrate from a source he refuses to reveal. Character witnesses who appeared at the accused's behalf included several of Mallibourne's most prominent citizens and his counsel, C. G. Crowe, pleaded for suspended sentence.

Crown Attorney J. K. Anderson, C. G. stated that in view of a similar conviction being registered against the accused, and that its sentence had been commuted in his own home in which his wife and child lived with him, he was not entitled to the slightest consideration of the court.

Lakefield, with fine combination plays, was fortunate in defeating the local team. Coach Nichols used his famous power play but to no avail. Few penalties were handed out to either team.

Showed Sportsmanship

The Lindsay Midgets were unable to defeat the Rangers here on Friday evening. The Rangers piled up a score of 8 to 4 to win the McFadden Trophy. The Midgets were really handicapped by the lack of career players leaving them only one spare man. They however gave the Rangers a fine display of sportsmanship.

throughout all three periods. The time was probably the most sportsmanlike that has been witnessed in the arena for some time. Purely emotional both teams at all times. The players themselves laughed and joked with each other when they were met on the ice and would give to the fans an appearance of being one big happy family. Lindsay and Midgett and the Rangers have played the finest hockey in this district this year. Port Perry's management were unable to compete for the McPadden Trophy due to the condition of the roads.
